## Annual Ball Saturday

ALBANY POLICE AND FIRE Civil Service club is holding its annual ball at Golden Gate Fields Club House Saturday, June 22, at 9 p.m. Benny Mel'zer and his orchestra will furnish the music and the circle bar will be open to those attending the ball. Donations are \$1. Because of the opening of the circle bar during the dance no minors will be allowed at the ball. Money obtained from this activity will be for the Widows and Orphans Fund. William Lanctot of the Fire Department is president of the club and he is assisted by a committee from both the Police and Fire Departments. This affair each year attracts many persons who have wished to spend an evening of dancing at the famous Golden Gate Fields Club House. Tickets are available from any member of the police or fire department.

## Summer Elementary School Will Open Next Monday

At least 600 Albany youngsters don't hold much with that old rhyme, "No more pencils, no more books! No more teachers' dirty looks!"

With the regular school year over barely a week, they will return for another five weeks summer session at Cornell school from Monday, June 24, to Friday, July 26.

Attending class from 8:50 a.m. to 12:10 daily, the greater number will be enrolled in "enrichment" classes, which means they are in summer school by choice to pursue interests not always met in the crowded curriculum of the regular session.

Besides the traditional remedial and review courses in reading, English, and arithmetic, the summer curriculum offers opportunities in grades 4-7, to explore in three areas chosen from art, drama, literature, instrumental music, science, creative writing, typing, or math. Also for the first time this summer, an introduction to woodshop and home-making (using facilities at Albany High school) is being offered to 6th and 7th graders.

A large number of pupils in grades 1-3 also will be extending their skills and interests beyond

the regular curriculum. Although this age group will remain, for the most part, in self-contained classes, their program will be enriched by teachers using new materials and new approaches.

The success of the summer program can be gauged by the steadily increasing enrollment. The 1968 session with over 600 pupils and 26 staff members represents the largest summer school in the history of the Albany schools.

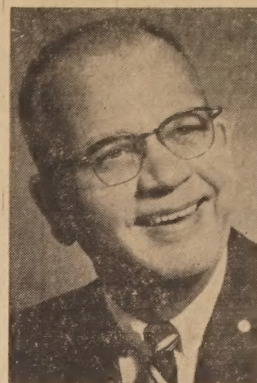

Principal Robert Shogren has reminded parents that safety is a summer problem, too. Adult crossing guards will be provided at Marin and San Pablo, Marin and Cornell, and Solano and Tabor intersections a half hour before and after summer school. He asks that all boys and girls south of Marin and north of Solano cross only with the crossing guards.

## Paul Luchessa Graduates

Paul Michael Luchessa of 754 Gateview was graduated magna cum laude from Harvard University at commencement exercises June 13.

He was one of 4,100 students who received degrees and one of 1,200 young men who received bachelor of arts degrees.

## Rotary Demotion Day Tuesday

A secret committee is planning appropriate ceremonies to demote President Joe Dagna at the Rotary club luncheon Tuesday at Spenger's.

When the ceremonies are over, the gavel will pass to Robert Carlson, manager of Albany branch of the post office. Others who will hold top offices beginning July 1 are J. J. Sturgeon, PG&E electrical engineer, treasurer, and Albany Administrative Officer James B. Turner, secretary.

At the meeting this week, "old timers" were honored guests. Special mention was made of Attorney Cecil Lavers, the only living active member of Albany Rotary since it was organized in 1929. Among former Rotarians were Jack O'Keefe, Ralph Bowman and Hal Fetter.

## Council Says Public Has Right To Know How Tax Dollars Are Spent

The liveliest discussion at the meeting of Albany City Council Monday night came near the end

of the hour and half long session when members attempted to answer a letter from Lottie Moody Sanford asking why taxes were increased.

## James Fahmie Dies Sunday

Survivors include his mother, Mrs. Zakiah Fahmie, with whom he lived; brothers, Michael of Albany, owner of Michaels Liquors; Thomas of Richmond; Al, San Fernando; Joseph of El Cerrito, owner of Joseph's Liquor store on upper Solano; Leo, Los Angeles, and Albert of Albany; sisters, Mary Shaheen of Oakland; Wanda Hearn of El Cerrito; Joan Sanders of Fresno; and Sadie Fahmie of Albany. **THERE IS MUCH** food for thought in the following lines: God give us men. A time like this demands strong minds, great hearts, true faith and ready hands. Men whom the lust of office do not kill. Men who the spoils of office cannot buy. Men who possess opinions and a will. Men who have honor; men who will not lie. Men who can stand before a demagogue. And damn his treacherous flatteries without winking. Tall men, sun crowned, who live above the fog. In public duty and in private thinking.

**HAVE YOU** ever noticed at every party there are two kinds of people—those who want to leave early and those who don't? And the funny part of it is, they're always married to each other.

**WE HEAR** there is wailing in some sections of the community because the Chamber of Commerce has cancelled the annual Art Show this year. To each person who has peeped, the members of the committee would like to ask, "What have YOU done to help set the show up, take it down or otherwise support it?" A precious few people have been responsible for the Art Show in recent years and they're tired.

## J. Henry Kruse Installed By Albany Lions Club

J. Henry Kruse, Jr.

Another year of Albany Lionism was ushered in last week when friends and well wishers gathered at the Mira Vista Country Club for the club's 26th installation of officers.

Lawrence Saler, past president, served as master of ceremonies, assisted by Dr. Michael Floyd, outgoing president.

On hand to induct the 1968-69 officers was Raymond Eng, Lions past district governor and presently a member of the Oakland City Council.

The evening's business was preceded by a fellowship hour from seven to eight.

Joining hands with Albany was the Kensington club for their 18th installation.

Sponsored by the local group, Kensington members have served their community in an excellent manner.

Presently the club is devoting their major effort to further "Guide Dogs for the Blind," a project which yearly is bringing more and more satisfaction to the small group.

Taking over the top spot for Albany was J. Henry Kruse, Jr., a member of the Albany Library Board. The new president is associated with the local Orientation Center.

Other 1968-69 officers for Albany are William Potts, first vice president; John Moon, second vice president.

Reelected for the coming year were Allan Vincent, secretary, and Donald Chelemedos, treasurer.

John Kampe will fill the Lion Tamer office, with Donald McCorkle performing the Tailtwister's duties.

Serving on the Board of Directors are Henri Honnert, John Maddox, John McDonald, William Savage and Carl MacWilliams.

For the Kensington club Frank Hardina takes over as president, with Gordon White and Richard

Johston as vice presidents. Ben Young moves to secretary and Ed Elliot goes to the treasurer's office.

Nell Linbaugh was installed as Lion Tamer with Jim Cahoon taking over as Tailtwister.

Perry Carter, Paul Armstrong, Keith Lanham and Ben Young will serve as Board of Directors.

Scheduled for immediate attention in the Albany club is the watermelon contest on July 4th, expansion of tree planting program and the 25th anniversary party in September.

### Kantor Graduates

Robert Joseph Kantor was graduated from Golden Gate College in ceremonies held at the Masonic auditorium in San Francisco on June 6.

Robert attended Cornell school, and is a graduate of Albany High school. He is the son of Mr. and Mrs. Joe Kantor of Albany, and is married to the former Judith Williams of Albany.

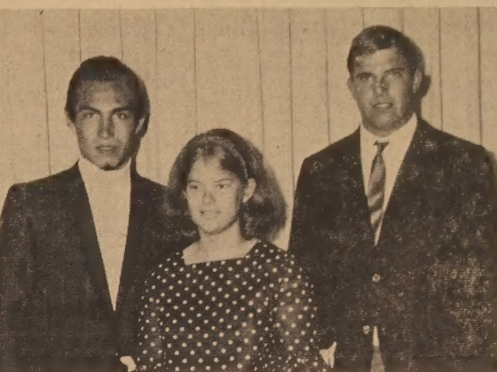

He has accepted a position with the Internal Revenue Service in San Francisco.

### 1—REAL ESTATE

#### JEROME BLANK REALTY

#### Housing Shortage

#### Critical

With new construction of homes and apartments almost non-existent in the Berkeley-Albany area for the past 3 years, and with the increase in population, the shortage of housing is becoming critical. Scarcity of land, increased building costs, difficulty of financing new construction, have been factors. We sincerely believe that every existing home or apartment house will become more valuable as time goes along. From the beginning of history, well-located real estate has gone up in value. Speaking of location, is there anything more centrally located or more desirable than the area serviced by the Times? Why not look at some of these choice offerings, many of these being advertised for the first time!

#### Brand New!

One of the very few brand new homes built in Albany under \$40,000, this is undoubtedly the most startling value to be found. Built by one of the leading Albany builders, Norman Jacobson, this contemporary home will delight you with its 3 bedrooms, 2 baths, beautiful kitchen and family room, and many, many other new and wonderful features. Best of all, it's priced at just \$31,250 how can you possibly find more home for the money—especially in the Marin school area? Evenings, Mr. Williams, 526-3819.

#### Love That Home!

Just listed, this home will give you vibrations as you drive by, because it's so neat and well-maintained. With 5 rooms and 2 bedrooms, there's a 2 car garage, plus a large deck off kitchen, ideal for barbecuing, or for addition of an extra room. 50x100 lot plus large garden gives additional value to this triplex-zoned lot. It's on lovely Evelyn Ave. near Solano—a prime neighborhood. All this for a modest \$20,750. Evenings, Mr. Freels, 525-4001.

#### On The Boulevard

Santa Fe Ave., near Marin school offers an expansive street lined with beautifully maintained homes. Our new listing (came in at 10 p.m. last night), offers a fine 2 bedroom Spanish stucco with large entry hall, tiled bath, excellent kitchen, appliances. Call for appointment. Evenings, Mr. Williams, 526-3819.

#### Albany Duplexes

Just listed—2 duplexes, side by side, one consisting of a 1 and 2 bedroom apartment, and the other featuring 2 spacious 1 bedroom apartments. 87'x100 lot has terrific future development value. \$49,950. \$9,500 down handles, with financing arranged for balance. Excellent Albany location near Solano Ave.

#### El Cerrito Fourplex

A really beautiful 3 year old building with 4 fine 2 bedroom apartments, carpets, drapes, appliances, carports, tree-shaded garden. Priced at \$56,500, an investment in this location near City Hall can produce security plus profit. If you have a small home, why not consider trading? Evenings, Mr. Headington, 524-7796.

LECTION THEREOF; AMEND-  
ING CHAPTER 25 OF THE AL-  
BANY CITY CODE, 1958, BY  
ADDING ARTICLE III THERE-  
TO.

THE COUNCIL OF THE CITY  
OF ALBANY DOES ORDAIN AS  
FOLLOWS:

Section 1. That Chapter 25 of  
the Albany City Code, 1958, shall  
be amended by adding Article  
III, with subsequent sections,  
thereto, and said Chapter 25, Ar-  
ticle III shall hereafter read as  
follows:

CHAPTER 25  
ARTICLE III  
HOTEL/MOTEL ROOM TAX

Sec. 25.21. Title.  
This Ordinance shall be known  
as the Uniform Transient Occu-  
pancy Tax Ordinance of the City  
of Albany.

Sec. 25.22. Definitions.  
Except where the context other-  
wise requires, the definitions  
given in this section govern the  
construction of this Ordinance:

(a) Person. "Person" means  
any individual, firm, partnership,  
joint venture, association, social  
club, fraternal organization, joint  
stock company, corporation,  
estate, trust, business trust, re-  
sulting trustee, syndicate, or any  
other group or combination act-  
ing as a unit.

(b) Hotel. "Hotel" means any  
structure, or any portion of any  
structure, which is occupied or  
intended or designed for occu-  
pancy by transients for dwelling,  
lodging or sleeping purposes, and  
includes any hotel, inn, tourist  
home, or house, motel, studio, ho-  
tel, bachelor hotel, lodging house,  
rooming house, apartment house,  
dormitory, public or private club,  
mobile home or house trailer at  
a fixed location, or other similar  
structure or portion thereof.

(c) Occupancy. "Occupancy"  
means the use or possession, or  
the right to the use or possession  
of any room or rooms or portion  
thereof, in any hotel for dwelling,  
lodging or sleeping purposes.

(d) Transient. "Transient"  
means any person who exercises  
occupancy or is entitled to occu-  
pancy by reason of concession,  
permit, right of access, license  
or other agreement for a period  
of thirty (30) consecutive calen-  
dar days or less, counting por-  
tions of calendar days as full  
days. Any person so occu-  
pying space in a hotel shall be  
deemed to be a transient until  
the period of thirty (30) days has  
expired unless there is an agree-  
ment in writing between the op-  
erator and the occupant provid-  
ing for a longer period of occu-  
pancy. In determining whether  
a person is a transient, uninter-  
rupted periods of time extending  
both prior and subsequent to the  
effective date of this Ordinance  
may be considered.

(e) Rent. "Rent" means the  
consideration charged, whether  
or not received, for the occu-  
pancy of space in a hotel valued  
in money, goods, labor or other  
valuable consideration, including  
cash, credits and property and  
services of any kind or nature,  
without any deduction therefrom  
whatsoever.

(f) Operator. "Operator" means  
the person who is proprie-  
tor of the hotel, whether in the  
capacity of owner, lessee, sub-  
lessee, mortgagee in possession,  
licensee, or any other capacity.  
Where the operator performs his  
function through a managing  
agent of any type or character  
other than an employee, the man-  
aging agent shall also be deemed  
an operator for the purposes of  
this Ordinance and shall have  
the same duties and liabilities as  
his principal. Compliance with  
the provisions of this Ordinance  
by either the principal or the  
managing agent shall, however,  
be considered to be compliance  
by both.

Sec. 25.23. Tax Imposed.

For the privilege of occupancy  
in any hotel, each transient shall  
be subject to and shall pay a tax  
in the amount of five percent  
(5%) of the rent charged by the  
operator. Said tax constitutes a  
debt owed by the transient to the  
City which is extinguished only  
by payment to the operator or to  
the City. The transient shall pay  
the tax to the operator of the hotel  
at the time the rent is paid. If  
the rent is paid in installments,  
a proportionate share of the tax  
shall be paid with each instal-  
ment. The unpaid tax shall be  
due upon the transient's ceasing  
to occupy space in the hotel. If  
for any reason the tax due is not  
paid to the operator of the hotel,  
the City Treasurer may require  
that such tax shall be paid direct-  
ly to the City Treasurer.

Sec. 25.24. Exemptions.

No tax shall be imposed upon:  
(a) Any person as to whom, or  
any occupancy as to which it is  
beyond the power of the City to  
impose the tax herein provided;

(b) Any federal or State of  
California officer or employee  
when on official business;

(c) Any officer or employee of  
a foreign government who is ex-  
empt by reason of express provi-  
sion of federal law or interna-  
tional treaty.

No exemption shall be granted  
except upon a claim therefor  
made under penalty of perjury up-  
on a form prescribed by the City  
Treasurer.

Sec. 25.25. Operator's Duties.

Each operator shall collect the  
tax imposed by this Ordinance  
to the same extent and at the  
same time as the rent is collected  
from every transient. The amount  
of tax shall be separately stated  
from the amount of the rent  
charged, and each transient shall  
receive a receipt for payment  
from the operator. No operator  
of a hotel shall advertise or state  
in any manner that he taxes or  
part thereof, will be exempted

absorbed by the operator, or that  
it will not be added to the rent,  
or that if added, any part will  
be refunded except in the manner  
hereinafter provided.

Registration.

Within thirty (30) days after  
the effective date of this Ordinance,  
or within thirty (30) days  
after commencing business,  
whichever is later, each operator  
of any hotel pending occupancy  
to transients shall register said  
hotel with the City Treasurer  
and obtain from him a "Transient  
Occupancy Registration Certifi-  
cate" to be at all times posted  
in a conspicuous place on the  
premises. Said certificate shall,  
among other things, state the fol-  
lowing:

1. The name of the operator;  
2. The address of the hotel;  
3. The date upon which the cer-  
tificate was issued;

4. "This Transient Occupancy  
Registration Certificate signifies  
that the person named on the  
face hereof has fulfilled the re-  
quirements of the Uniform Tran-  
sient Occupancy Tax Ordinance  
by registering with the City  
Treasurer for the purpose of col-  
lecting from transients the Tran-  
sient Occupancy Tax and remit-  
ting said tax to the City Treasur-  
er. This certificate does not au-  
thorize any person to conduct  
any unlawful business or to con-  
duct any lawful business in an  
unlawful manner, nor to operate  
a hotel without strictly comply-  
ing with all local applicable laws,  
including, but not limited to, those  
requiring a permit from any  
board, commission, department  
or office of this City. This cer-  
tificate does not constitute a per-  
mit."

Sec. 25.27. Reporting and Remit-  
ting.

Each operator shall, on or be-  
fore the last day of the month  
following the close of each calen-  
dar quarter, or at the close of  
any shorter reporting period  
which may be established by the  
City Treasurer, make return to  
the City Treasurer, on forms pro-  
vided by him, of the total rents  
charged and received and the  
amount of tax collected for tran-  
sient occupancies. At the time  
the return is filed, the full  
amount of the tax collected shall  
be remitted to the City Treasur-  
er. The City Treasurer may es-  
tablish shorter reporting periods  
for any certificate holder if he  
deems it necessary in order to  
insure collection of the tax, and  
he may require further informa-  
tion in the return. Returns and  
payments are due immediately  
upon cessation of business for  
any reason. All taxes collected  
by operators pursuant to this Or-  
dinance shall be held in trust for  
the account of the City until pay-  
ment thereof is made to the City  
Treasurer.

Sec. 25.28. Penalties and Interest.

(a) Original Delinquency. Any  
operator who fails to remit any  
tax imposed by this Ordinance  
within the time required shall  
pay a penalty of ten percent  
(10%) of the amount of the tax  
in addition to the amount of the  
tax.

(b) Continued Delinquency.  
Any operator who fails to remit  
any delinquent remittance on or  
before a period of thirty (30)  
days following the date on which  
the remittance became delinquent  
shall pay a second delinquency  
penalty of ten percent (10%) of  
the amount of the tax in addition  
to the amount of the tax and the  
ten percent (10%) penalty first  
imposed.

(c) Fraud. If the City Treasur-  
er determines that the non-pay-  
ment of any tax is due under  
this Ordinance is due to  
fraud, a penalty of twenty-five  
percent (25%) of the amount of  
the tax shall be added thereto in  
addition to the penalties stated  
in subparagraphs (a) and (b) of  
this section.

(d) Interest. In addition to the  
penalties imposed, any operator  
who fails to remit any tax im-  
posed by this Ordinance shall be  
deemed to be a debtor to the City  
in the amount of the tax plus  
interest at the rate of one-half  
of one percent (1/2%) per month  
or fraction thereof on the amount  
of the tax, exclusive of penalties,  
from the date on which the re-  
mittance first became delinquent  
until paid.

Sec. 25.29. Penalties Merged With Tax.

Any penalty imposed and such  
interest as is due under the pro-  
visions of this section shall be-  
come a part of the tax herein  
required to be paid.

Sec. 25.29. Failure to Collect and  
Report Tax. Determination of  
Tax by City Treasurer.

If any operator shall fail or  
refuse to collect said tax and to  
make return of the time provided  
in this Ordinance, any report and  
remittance of said tax and any  
portion thereof required by this Or-  
dinance, the City Treasurer shall  
proceed in such manner as he  
may deem best to obtain facts  
and information on which to base  
an estimate of the tax due. As  
soon as the City Treasurer shall  
procure such facts and informa-  
tion as he is able to obtain upon  
which to base the assessment of  
any tax imposed by this Ordinance  
and payable by any opera-  
tor who has failed or refused to  
collect the same and to make  
such report and remittance, he  
shall proceed to determine and  
assess against such operator the  
tax, interest and penalties pro-  
vided for by this Ordinance. In  
case such determination is made,  
the City Treasurer shall give a  
notice of the amount so assessed  
by serving it personally or by  
depositing it in the United States  
mail, postage prepaid, addressed  
to the operator so assessed at his  
last known place of address. Such  
operator shall be deemed to have  
received such notice within ten  
days after the serving or mailing  
of such notice, make application  
in writing to the City Treasurer  
for a hearing on the amount as-  
sessed. If application by the op-  
erator for a hearing is not made  
within the time prescribed, the  
tax, interest and penalties, if any,  
determined by the City Treasur-  
er shall become final and non-  
assessable and immediately due and pay-  
able. If such application is made,  
the City Treasurer shall give not  
less than five (5) days written  
notice in the manner prescribed  
herein to the operator to show  
cause at a time and place fixed

specified therein should not be  
fixed for such tax, interest and  
penalties. At such hearing, the  
operator may appear and offer  
evidence why such specified tax,  
interest and penalties should not  
be so fixed. If, after such hearing,  
the City Treasurer shall deter-  
mine the proper tax to be re-  
mitted and shall thereafter give  
written notice to the person in  
the manner prescribed herein of  
such determination and the  
amount of such tax, interest and  
penalties. The amount deter-  
mined to be due shall be payable  
after fifteen (15) days unless an  
appeal is taken as provided in  
Section 25.30 hereof.

Sec. 25.30. Appeal.

Any operator aggrieved by any  
decision of the City Treasurer  
with respect to the amount of  
such tax, interest and penalties,  
shall have appeal to the City  
Council, filing a notice of ap-  
peal with the City Clerk within  
fifteen (15) days of the serving  
or mailing of the determination  
of tax due. The City Council shall  
fix a time and place for hearing  
such appeal, and the City Clerk  
shall give notice in writing to  
such operator at his last known  
place of address. The findings  
of the City Council shall be final  
and conclusive and shall be  
served upon the appellant in the  
manner prescribed above for  
service of notice of hearing. Any  
amount found to be due shall be  
immediately due and payable  
upon the service of notice.

Sec. 25.31. Records.

It shall be the duty of every  
operator liable for the collection  
and payment to the City of any  
tax imposed by this Ordinance  
to keep and preserve, for a pe-  
riod of three (3) years, all records  
and documents necessary to deter-  
mine the amount of such tax as  
he may have been liable for the  
collection of and payment to the  
City, which records the City  
Treasurer shall have the right  
to inspect at all reasonable times.

Sec. 25.32. Refunds.

(a) Whenever the amount of  
any tax, interest or penalty has  
been overpaid or paid more than  
owed, or has been erroneously  
collected or received by the  
City under this Ordinance, it  
may be refunded as provided  
in subparagraphs (b) and (c) of  
this section, provided a claim in  
writing therefor, stating under  
penalty of perjury the specific  
grounds upon which the claim is  
founded, is filed with the City  
Treasurer within three (3) years  
of the date of payment. The  
claim shall be on forms furnished  
by the City Treasurer.

(b) An operator may claim a  
refund or credit against taxes  
collected and remitted to the  
amount overpaid, paid more than  
owed, or erroneously or illegally  
collected or received when it is  
established in a manner pre-  
scribed by the City Treasurer  
that the person from whom the  
tax has been received was not a  
transient; provided, however,  
that neither a refund nor a credit  
shall be allowed unless the  
amount of the tax so collected  
has either been refunded to the  
transient or credited to rent sub-  
sequent to the date of the transi-  
ent's payment.

(c) A transient may obtain a  
refund of taxes overpaid, paid  
more than once, or erroneously  
or illegally collected or received  
by the City by filing a claim in  
writing therefor, stating under  
penalty of perjury the specific  
grounds upon which the claim is  
founded, with the City Treasur-  
er, or when the transient has  
paid the tax to the operator,  
establishes to the satisfac-  
tion of the City Treasurer that  
the transient has been unable to  
obtain a refund from the opera-  
tor who collected the tax.

(d) No refund shall be paid  
under the provisions of this sec-  
tion unless the claimant estab-  
lishes his right thereto by written  
records showing entitlement  
thereto.

Sec. 25.33. Actions to Collect.

Any tax required to be paid by  
any transient under the provi-  
sions of this Ordinance shall be  
deemed a debt owed by the tran-  
sient to the City. Any such tax  
collected by an operator which  
has not been paid to the City  
shall be deemed a debt owed by  
the operator to the City. Any  
person owing the tax to the City  
under the provisions of this Or-  
dinance shall be liable to an ac-  
tion brought in the name of the  
City of Albany for the recovery  
of such amount.

fine and imprisonment.

who fails or refuses to register  
as required herein, or to furnish

ish a supplemental return or  
other data required by the City  
Treasurer, who renders a  
false or fraudulent return or  
claim is guilty of a misdemeanor  
and is punishable as aforesaid.

render, sign or verify any report  
or claim who makes any false or  
fraudulent report or claim with

termination of any amount due  
and is punishable as aforesaid.

Sec. 25.35. Severability.

If any section, subsection, sub-  
division, paragraph, sentence,  
clause or phrase of this Ordinance  
shall be held to be unconsti-  
tutional, the decision shall not  
affect the validity of the remain-  
ing portions of this Ordinance, or

Live Wires Sponsor Orient  
Tour Sept. 20-Oct. 16

It seems the Live Wires, individually or collectively, are always coming or going. Most ambitious project of the Live Wire group is the Orient Live Wire Tour, scheduled to leave Sept. 20 and end Oct. 16. The 27-day tour has been arranged by Bill Barbee and Eleanore Miller. It will be fully escorted from Albany, including service to San Francisco airport.

Among places of interest will be Takarazuka to see the famous all-girl revue in its original setting, the Inland Sea in Japan, Mid-Autumn Festival in Taipei with the fabulous fireworks display, dinner on a floating restaurant in Hong Kong, Sri Marimman Hindu temple in Singapore plus Thai classical dances in Bangkok.

Three single and six double reservations are still available. For additional information, contact Mrs. Miller at 525-8757.

REPUBLICAN ASSEMBLY  
DINNER NEXT WEDNESDAY

Albany Republican assembly is having a gala dinner meeting Wednesday, June 26, Kenneth L. Thompson, chairman, Alameda County Republican Central committee, will answer the question "Where do we go from here?"

All members of the County Central committee, candidates who survived the primaries, and presidents of Republican clubs, have been invited. Dinner will be served promptly at 8 p.m. at The Blue Mill, 1335 Solano Ave.

This is a family affair. In deference to those who wish to include their teenagers, there will be no cocktails. In 1972, these same teenagers will be running the country! The program will be an exciting and interesting introduction to the way "we the people" go about electing public officials. Candidates will be introduced.

What is the Central committee? It is the official voice of the party. Its members are elected at each direct primary for two year terms. They are charged with the political use of the party label in the conduct of political affairs in the county. The June 26 dinner is dedicated to the Alameda County Republican Central committee.

There will be a reception and

social hour from 6:30 to 7:30 immediately preceding the dinner at the home of Mr. and Mrs. Jerome Blank, 1015 Ramona Ave. All ticket holders have been invited.

## SENIOR CITIZENS

846 Masonic Ave.

By Emma Claymore

The Father's Day celebration at the Center June 11 was quite successful although some fathers were not present due to illness or being on vacation. In all, 11 fathers were present.

Kathryn Kay was chairman, assisted by other members. The fathers' table was tastefully decorated by Ivy Severy and Carolyn Matthew. Maria Olivero supplied a variety of flowers from her garden.

Promptly at 1 p.m., the line formed at the long table where the food was displayed buffet style with chicken, all kinds of salads, hot beans, pickles and hot rolls with butter. Each one took what he preferred and was seated. Pie, apple or berry, with hot coffee or tea was also on the menu. There was an abundance of everything and the surplus served as dinner instead of the usual TV dinners which are served on Tuesday evenings.

After the tables were cleared, a musical program was presented by Clara Edelfsen as director and Marian Morey at the piano. "Father" was sung by 10 choral group members. Words were written by Georgia Sargent. Other songs were "Daddy, You've been a Mother to Me" and "Hello Daddy."

Cy and Mollie Levine presented a number entitled, "Walking My Baby Back Home."

Cards were played and after the second dinner, a tired but happy group disbanded about 8 p.m.

Eith and Jack Langrey report a very good time while on a recent trip to Alaska. Martha Crawford, chairman of the Community Service work reports they are currently working on Christmas

tags to be sold by Cystic Fibrosis Foundation. She also reports a very enjoyable visit from her son and his wife, Larry and Sue. He is presently stationed at Port Hueneme in Southern California with the See Bee branch of the Navy, but will soon be transferred to Pearl Harbor for further duty.

The last in the series of movies being shown at the Center will be "Day Dreamer," on Tuesday, June 25. It comes highly recommended. The public is welcome. Tickets will be sold at the door.

Call 526-1601 for further information.

**Held Over From Last Week**  
The business meeting on June 4 was well attended.

This being the fifth anniversary of her work at the Center, Director Beulah Bellington furnished the luncheon for the group of cake, ice cream and coffee, served before the meeting.

Nora Healy, Joy Tucker and Margaret Longpre gave brief reports of the meeting at Mosswood Park with the Bay Area Senior Citizen council and officials of the transit districts in an effort to secure lower fares for seniors during off hours.

Seniors presented Beulah with an engraved silver tray in honor of her years of faithful service. Tiny Kampe made the presentation, beginning with, "I went down to the five and ten cent store and picked up this little old tin plate..." Beulah was overwhelmed with surprise and very grateful.

A visitor at the meeting was Rose Christy of New York, who is visiting her sister, Gertrude Bleakman. Jack and Edith Langrey are in Alaska on a trip.

The current Events class held every Wednesday at 2 p.m. is generating a great deal of interest. The public is welcome to participate.

Everyone was happy to see Tena Gregory at the June 6 meeting after being hospitalized with an appendectomy.

## "The Village" (Where What and Who)

(Conclusion)

By Beverly Wilson

There are two main problems that concern most Village families. The first problem is money. It is hard to stretch their income to cover their growing family's basic needs, but it can and is being done all the time. The student finds various kinds of financial aids in various types of fellowship, correcting papers, tutoring, setting up labs, supervising student teachers, doing odd jobs in libraries, art galleries, museums, or serving as teaching assistants (average pay is \$350 a month). The second problem is coping with the common illnesses: since it is difficult for the Village families to pay for medical assistance when their children contract the flu, mumps, chicken pox, ear infections, strep throat, and other infections or diseases, in many cases the physician is not called. There are those families with special problems, such as asthma, allergies, hepatitis, and even arthritis, who are sometimes unable to get proper medical aid because of the tremendous expense.

The Village itself has a large problem: speeding vehicles. There are around 1 4/10 miles of roads with over 55 warning signs that state "SLOW CHILDREN AT PLAY, 15 MPH." "People" still believe they have the right to speed, hitting pedestrians and other vehicles. So far there has not been any satisfactory solution to this problem.

But with all the problems which face each Village family, the degree is so rewarding to its members that they believe it is well worth every sacrifice that must be made.

This briefly sums up the pres-

ent Village and its existence for the past 12 years (though the University has had married student housing since 1946 those original buildings are no longer existing today). Villagers have been active, considering that this is their home for less than five years. But they CARE. I believe they have done much, with so little, in so short a period of existence.

"Yes," I said to the questioner inclusion, "I am very proud of being a student's wife and a Villager."

Author's note: All opinions expressed in this article are my own; but I do hope others share the same views. This is my tribute to the Village and the Villager for the express reason that for the past four years it has been a distinct pleasure being a resident here. Also enjoyable has been the opportunity of knowing an extraordinary man, Wm. J. Dowling, and his phenomenal, stupendous, indescribable staff. In Sept. I will be terminating three wonderful years of association with the Villager. It has been a marvelous
